

Visitor Access to your Suite

The building is equipped with a MESH visitor entry system that allows you to control access to the building from within your suite by use of your telephone.

The MESH system utilizes a “phone-line” system which enables visitors to connect to your phone whether you are using standard phone service, Voice Over IP (VOIP), Cellular, or digital phone systems as your main telephony device.

When a visitor calls you from the visitor entry panel, pressing “6” on your telephone keypad will release the door for your visitor to enter the building and issue a credit to allow him time to enter the elevator and press your floor number.

Once you have pressed “6” you will hear the confirmation tones from the MESH entry panel letting you know that the operation was successful.

To deny access, simply hang up.

For security reasons, the elevator time credit issued is only for a short period of time and only for the floor on which you live.

Visitor Call Waiting

If you subscribe to Call Waiting with your phone service provider, then you can use this feature for calls from the entry system while you are on an outside call. Typically you will hear the “call waiting” tones on the telephone, which indicate that you have a visitor. You can then put the outside call on hold and you will now be connected to your visitor at the entry panel. You can then grant access to the visitor by pressing the number “6” on your telephone. To deny access to the visitor, press the “*” sign on your phone, or simply hang-up.

Keyfob Access Control to Entry Doors, Gates & Elevators

To operate the keyfob – simply present it at the proximity reader located at the door or elevator you are entering. Your keyfob will unlock the door or your floor number for only a few seconds to allow you to enter. Activation of the gate uses the same keyfob/remote – to operate simply press button 1 on the remote for the main gate and button 2 for the interior residential gate.

Each keyfob has a unique number. The number on your keyfob has been assigned to your suite and programmed for access to your building. If any of your keyfobs are lost or stolen, please notify your concierge or property manager immediately.
