

Your new home comes with a Savant home automation starter kit.

SAVANT is a premium automation experience that will change the way you enjoy your home.
Your system includes the following equipment:

- 1 x SAVANT Host and Universal Remote
- 4 x SAVANT dimmer switches for lighting
- 1 x SAVANT Metropolitan configurable keypad
- 1 x Pair of Origin 8" in ceiling speakers

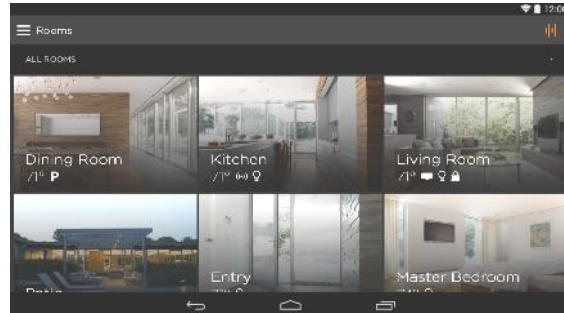

The Metropolitan keypad has been preconfigured to control all dimmers except the master bedroom.

Once you have settled in to your new home, our technicians will schedule an appointment with you to set up your TV with the Savant Host, and show you how to download the App to your Smartphone or tablet.

Example of Smartphone APP

Example of Tablet APP

At the same time, we can introduce you to the feature-rich products and services offered by SAVANT that can be added to your system.

- These include:
- Full audio & video intergration & control
 - Additional lighting control
 - SONOS music intergration
 - Security system integration & control
 - Customized scenes for the way you live

To book your appointment with one of our technicians, please call [604.277.1889](tel:604.277.1889) and one of our representatives will be pleased to assist you.
