1. Regular prices as shown are valid as of October 1, 2021 and are subject to change without notice. Current regular prices can be viewed at [telus.com](https://www.telus.com). Offer subject to change without notice and may not be combined with other offers. Offer available until December 31, 2022 to new and existing TELUS residential customers. Offer includes: TELUS PureFibre Internet 300, Optik TV Essentials, one 4K PVR and one 4K digital box for \$80/month on a 2-year service agreement. For customers signing up on a 24-month term, the Internet and Optik TV rate plan price is guaranteed to remain the same for the duration of the 24-month term. Prices of features and add-ons such as unlimited internet data, a la carte TV channels/theme packs and premium TV content are not guaranteed during the 24-month term and subject to change anytime. All prices do not include applicable taxes. Minimum system requirements apply. TELUS reserves the right to modify channel lineups and packaging without notice. HDTV input equipped-television required to watch HD. Final eligibility for the services will be determined by a TELUS representative. Downgrading to Lite after accepting a promotional offer will trigger the cancellation fees associated Optik. A cancellation fee applies to the early termination of your internet and Optik TV service agreement, which will be the sum of \$720, declining by \$30, for every month of Internet and Optik TV service and reducing to \$0 at the end of your commitment term. If you cancel a single service (Optik TV or Internet), the service cancellation fee is \$360 declining by \$15 per month and reducing to \$0 at the end of your commitment term. Rental equipment must be returned in good condition upon cancellation of service, otherwise the replacement cost will be charged to the account. Maximum speeds require optimal network conditions on a wired connection. Internet access speeds may vary depending on location, usage within the home network, Internet traffic, applicable network management or server configurations. \$0 unlimited data offer is only available to customers signing up on a 2-year internet service agreement. Regular pricing (currently \$20 for Unlimited Data add-on) applies at month 25. 2. Available to TELUS or Koodo Mobility customers who purchase qualifying TELUS Home Services product(s). A \$10/month discount will be applied to the Home Services bill for 24 months (or as long as the eligibility requirements are met). 3. Not available in all areas. Traditional copper wire or copper wire hybrid networks are subject to capacity constraints and environmental stresses that do not affect TELUS fibre optic technology, which is based on light signals. Individual results may vary depending on location, usage within the home network, Internet traffic, applicable network management or server configurations. For a description of TELUS' network management practices please see [telus.com/networkmanagement](https://www.telus.com/networkmanagement). 4. TELUS Online Security ("TOS") does not require a 2-year agreement. Offer and regular price subject to change without notice. Regular price of TOS Standard is \$10/month. New and existing TELUS Internet customers (who are currently not subscribed to TOS) will receive a discount of \$5/month on their Standard subscription for 24 months as long as they keep their TELUS Internet service active. Discount will expire after 24 months from activation of TOS, and regular price will apply from month 25. Final eligibility for the services will be determined by a TELUS representative.
